Alexandria, Virginia, 22313-1450

Dear Sir,

Under the provision of 37 C.F.R. 1.56, 1.97 and 1.98, Applicant would like to call the Examiner's attention to the references listed on the attached Form PTO-1449. Copies of any U.S. patent and/or published application references are not enclosed. Copies of the non-U.S. patent references and non-patent references are enclosed, except for those which were cited in the International Search Report mailed July 26, 2004 in the prior international application PCT/EP04/000485. Copies of the references by Morris, et al. and Sargazakav, et al. will follow.

In accordance with 37 C.R.F. 1.97(b)(1), and as this Information Disclosure Statement is being filed with the application, the Statement is submitted before the issuance of a first Official Action on this case.

In accordance with 37 C.F.R. 1.97(g) and 37C.F.R.1.97(h), filing of this Information disclosure Statement shall not be construed to be an admission that the information cited in the statement is, or is considered to be, material to patentability as defined in 34 C.F.R. 1.56(b).

The Examiner is requested to make the attached references of record and to consider these references along with such other references deemed pertinent as a result of the Examiner's own independent search and examination.

Respectfully submitted,

Date: August 2, 2005
